Working Experience

- BDO USA | San Jose, CA | Incoming Core Tax Intern 06 / 2026 -09 / 2026
- Analyze client financial data to support tax compliance and year-end filing projections
 - Support tax consulting and provision work by researching tax rules, monitoring client developments, and identifying potential reporting impacts
 - Prepare tax workpapers that connect source documentation to return inputs, strengthening data accuracy and review efficiency
- RRSS Human Resources | UCSD | Student Assistant 09 / 2025 - Present
- Handled high-volume HR requests, assisting 100+ employees weekly
 - Provided on-site and virtual support for UCPATH, Blink, and UCRAYS, assisting employees with payroll, insurance and financial aid inquiries
 - Support Employee Relations, Leave of Absence and Disability Accommodation processes
 - Perform data entry, electronic and physical filing
- Economics Research Lab | UCSD | Research Assistant 09 / 2025 -01/ 2026
- Clean, merge and validate large-scale mutual fund financial databases
 - Replicate empirical results from published finance research to evaluate benchmark alignment, fund transparency and performance dispersion
 - Conduct analysis to identify risk exposure mismatches and portfolio construction inefficiencies
- Amazon | Bakersfield | Project Manager Intern 06 / 2025 -09 / 2025
- Managed labor planning, tracked performance metrics, and delivered safety and quality coaching
 - Led a cross-functional process improvement initiative (Quantity Stow) with a team of 30 people, increasing throughput by 5%+ through workflow redesign
 - Built Excel macros to automate staffing plans and visualize associate rates and hours in real time; Promoted project adoption across shifts and trained teams on new process flows
 - Procured hand scanners and implemented new Aztec codes to improve station efficiency
- Intellisia Institute | China | Product Management Intern 06 / 2023 -09 / 2023
- Contributed to AI b2b chatbot projects by analyzing system performance data and providing actionable feedback on dialogue generation, functionality, and user experience
 - Supported the development of a medical lecturer chatbot using facial modeling and voice synthesis from short video samples of medical professionals
 - Coordinated daily interactions with domestic and international clients

Club / Organizations

- Beta Alpha Psi (BAP) | UCSD | VP of Professional Development 01 / 2025 - Present
